

100% success rate during Lextons February auction, with figures just under £2.3m achieved.

Lextons February auction was another huge success, achieving a 100% sell-out rate and raising just under £2,300,000 in revenue, with Auctioneer James Pepper explaining why.

Auctioneer James Pepper:

"We are thrilled to share the outstanding results of our recent auction, which once again confirms the strength and resilience of the market. Achieving a 100% sell-out rate and raising just under £2,300,000 in revenue, we are incredibly pleased with this remarkable outcome despite the changing market and potential challenges. The enthusiastic participation and competitive bidding we witnessed are clear indicators of the appetite to seize valuable investment opportunities.

We extend our heartfelt thanks to all our clients, bidders, and attendees for their trust and participation. Your engagement and support are integral to our continued success, and we look forward to assisting you with your property needs in the future. If you have any questions about the auction results or are considering buying or selling a property, please do not hesitate to get in touch with our team. We are here to provide expert guidance and support tailored to your unique requirements."
